Subject: Pacific Pines - Thank you

Brett,

Personal note of thanks to you and the boys for the outstanding effort particularly over the last few weeks. I know the changes were coming thick and fast towards the end and it was due to your '*we'll get it sorted*' attitude that got us across the line on time.

Can you please express my gratitude to Nathan, Ben, Darryl and the other boys whose names I didn't get but were always most courteous, professional and cooperative. A truly great team.

Thanks again and look forward to seeing you on the next Coles property project.

Regards,

Tom O'Sullivan
